Subject: Artificial Turf Replacement Contact Info  
To: John Ruhlen <[jruhlen916@aol.com](mailto:jruhlen916@aol.com)>

Good Morning John...

If you want to follow-up with Grizzly Turf re the replacement of the stolen section of artificial turf, I could really use the help! I've called and talked to someone at least 3 times, so more persistence might be what's needed to get the repairs made.

Lucas Lanfrance ([714-804-3523](tel:714-804-3523)) is the company CEO and promised to send someone out to "access the problem and give us a cost proposal" 6 weeks or so ago. His email is [lucas@grizzlyturf.com](mailto:lucas@grizzlyturf.com).

Victor Lanfranco, a brother, I believe, ([714-941-6580](tel:714-941-6580) / [714-310-9089](tel:714-310-9089)) seems to be in charge of "field operations." I spoke with him 2 weeks ago and he promised to have someone come out last week. So far, he has not responded to me. His email is [victor@grizzlyturf.com](mailto:victor@grizzlyturf.com).

The person we first spoke to in bidding our job was Wolfie Rowe ([877-237-8873](tel:877-237-8873)). His email is [wolfie@grizzlyturf.com](mailto:wolfie@grizzlyturf.com).

I told both Lucas and Victor we wanted the work complete as soon as possible and that we'd be inclined to move ahead as quickly as possible.

Let me know as I can assist in any way.
